## **PROFIT WARNING**

This announcement is made pursuant to rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of HKR International Limited (the “Company”, together with its subsidiaries, the “Group”) wishes to inform the shareholders and potential investors of the Company that based on the information currently available to management of the Company including the unaudited consolidated management accounts of the Group for the five months ended 31 August 2022, the Group estimates that it will record at least 85% decline in the underlying net profit excluding net unrealised gains/losses on fair value change of investment properties for the six months ending 30 September 2022 (the “Period”) when compared to that reported in the six months period ended 30 September 2021. Such decline is primarily owing to: (i) decrease in revenue and profit from sale of properties as there has been no scheduled completion of property development projects until the second half of the financial year; (ii) rising interest rates leading to increase in the Group’s finance costs; and (iii) continuous depreciation of Renminbi, Thai Baht and Japanese Yen during the Period leading to increase in net exchange losses arising from translating foreign currency denominated assets.

The Group is still in the process of preparing and finalising the Group’s unaudited interim results for the six months ending 30 September 2022. The information contained in this announcement is based on the Board’s preliminary assessment of the unaudited management accounts of the Group and the information available for the time being. Such information has not been reviewed by the Audit Committee or independent auditors of the Company and may be subject to change. Further details of the Group’s financial results and performance for the six months ending 30 September 2022 will be disclosed in the interim results announcement of the Company, which is expected to be published in mid to late November 2022.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
