HKR International Limited ("HKRI") proudly participated in Earth Hour 2026, which took place on 28 March at 8:30 PM. Over 30 properties under HKRI across Hong Kong, Shanghai, Jiaxing, Hangzhou, Bangkok and Hokkaido, comprising residential, malls, offices and hotels, responded collectively by turning off non-essential lighting systems, demonstrating HKRI's determination to promoting environmental protections on a global scale.

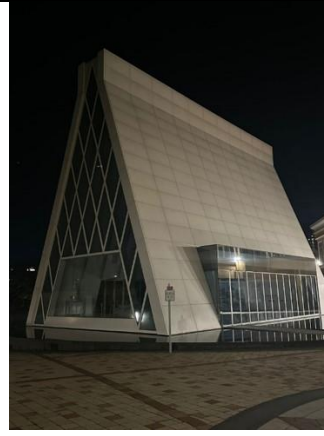

In the lead-up to Earth Hour 2026, HKRI engaged employees with the "Knowledge Power Up" prize quiz featuring an AI short video on biodiversity and waste circularity. The initiative not only enhanced employees' environmental awareness but also inspired sustainable living practices, transforming education into practical action while underscoring HKRI's inside-out approach to sustainability.

Over the years, HKRI has consistently committed to protecting the wetland in Discovery Bay North. In conjunction with Earth Hour 2026, HKRI made a donation to WWF Hong Kong to support its wetland conservation initiatives. This contribution reinforces HKRI's dedication to safeguarding vital natural resources and biodiversity for future generations.
